Lou, attached are revised posters incorporating comments of Lynn and David.

Please let me know next steps (i.e., when IOAA quick look) so these can be forwarded to RTP for printing.

Thanks,
James

Hi Bob,

Attached are both posters. The other poster on URT had many of the same issues, so I made changes to that one as well. I had Barbara go over them as well as she's a co-author. Let me know when they get approved and I can send them to Connie.

Thanks,
Larissa

Bob,

I have attached my three (3) posters for my meeting in Brazil.

It would be fantastic if you could send them to Sury for printing in RTP and then have the poster mailed back to your office. When they arrive back here, please give them to Larissa who can let me know they have arrived and put them on my desk/chair.

If that doesn't work out, then I can have them printed at the meeting but that would be more expensive.

Thanks,
Tom
